BARBARA JACOBS

Barbara Jacobs is celebrating her 27th year at Wornick. Since she joined the North Peninsula Jewish Day School in 1994, with an enduring heart, she has touched the lives of thousands of students as a P.E. teacher, student council advisor, and the backbone of the Gesher program, engaging with students and parents with love and compassion.

KAREN WAGSHUL

Karen Wagshul is celebrating her 26th year teaching first grade at Wornick. Her contagious enthusiasm for excellence in this grade level, a fearless heart, a lighthearted sense of humor, and her loyal and steadfast devotion to building community with students and families in the classroom and the Gesher aftercare program, have been the pillars on which our school continues to grow and thrive.

MICHAEL WORNICK

With a generous heart, Michael Wornick has graced our community with an effort to Sustain the Spirit of our school. For four years as a trustee, he has shown to the greater Jewish Community our school in a way that epitomizes what we want to see in each of our graduates - kindness, leadership, and a love of learning.
