

Dear Friend,

After a decade hiatus, the Wornick Day School Gala has returned! We are very excited to host “A Little Purim Gala” in honor of our outstanding teachers. The timing of our event lines up with this celebration that only happens in a lunar leap year and it also marks the beginning of the lunar month that welcomes joy, feasts and freedom. **We invite you to support Wornick by sponsoring “A Little Purim Gala” on Saturday, February 23, 2019.**

This lively fundraiser will combine the joy of bringing community together under one roof, a silent and live auction, delicious food, entertainment, dancing and fun, all designed to benefit our TK-8 grade students. Wornick students are supported, challenged and inspired to become their very best selves through an integrated curriculum that helps them emerge as engaged, confident young adults with the desires and skills to change the world.

Funds raised via sponsorships and donations will directly impact school programming by allowing us to grow our science, technology, art and music initiatives, improve and acquire supplies and equipment for the classrooms – from markers to our makerspace. **Can we please count on you to partner with us?**

Our invitation will be sent to over 2,000 community members. We expect over 200 attendees from the Peninsula, San Francisco, and beyond. Your company’s sponsorship of “A Little Purim Gala” will expose your company to our community while also supporting Wornick – it’s a win-win! Please find details of the event sponsorship levels enclosed.

We appreciate your consideration and look forward to talking with you soon. In the meantime, if you have any questions or need further information, please contact the development office at 650-378-2629 or development@wornickjds.org.

Warmly,

Madeline Flanagan
Co-Chair

Esther Gillette
